

CTP Piston Rings

CTP Piston Rings -

CTP Piston Rings are technically optimized with:

- » Advanced surface finish utilizing chrome plating, gas nitriding, spray coating and ceramic coating
- » Superior base material such as gray cast iron, ductile cast iron and stainless steel
- » High precision machining

The benefits:

1. Excellent sealing performance will dramatically reduce blow-by gas and oil consumption.
2. High anti-wear and breakage performance will assure you a longer part-life span.
