

New CTP Replacement Parts for Heavy Equipment

CTP FUEL LINE ASSEMBLY

No leakage No clogging

At CTP we have a complete reference of Fuel Assembly Lines for your convenience. We guarantee a top quality product that will carry fuel, oil and lubricants under low as well as high pressure and high temperature.

Features and Benefits

- The tubes are stitch less in order to withstand very high pressure.
- Top quality materials used in components for flawless performance of the product.
- The production process uses CNC machines (numeric control), that offer precise measurements and better quality.
- The superficial connections are treated, avoiding oxidation
